Funding Source/Agency	Other Local Funding Programming Policies
91 Express Lanes Excess Revenues/OCTA	Please see the Policy for the Use of Excess 91 Express Lanes Toll Revenue finalized through Board action on June 9, 2014.
County Transportation Commission/Mobile Source Air Pollution Reduction Review Committee (MSRC)	Prioritize activities that encourage transit ridership and support zero-emission bus initiatives. Depending on work program criteria, submit OCTA priority projects that meet program criteria, and work to support a return to source program for Orange County through all MSRC programs, including but not limited to freight focused programs. Funds are programmed through formal programming action.
Funding Source/Agency	State and Federal Programming Policies
All State and Federal Fund Sources and New Funding Programs	OCTA's goal for external funding is to be successful in increasing the use of external funds and decrease the use of local funds, when possible. First priority of all funding sources, when consistent with the funding agency priority and policies, is to fulfill commitments to the latest Next 10 Plan, specifically M2 projects, and to maintain existing OCTA assets in a state of good repair and support OCTA priorities. Consideration will be given to use state and federal funds for projects that are complementary to M2 projects and that share the M2 Program goals to reduce congestion, strengthen the economy, and improve the quality of life. All fund sources must be programmed through formal programming actions.
