Subject: Resolution to Establish the Orange County Transportation Authority General Fund Appropriations Limit for Fiscal Year 2022-23

Overview

The State Constitution requires that each year the governing body of each local jurisdiction shall, by resolution, establish its appropriations limit for the following year pursuant to Article XIII B.

Recommendation

Adopt Orange County Transportation Authority Resolution No. 2022-030 to establish the Orange County Transportation Authority General Fund appropriations limit at \$14,071,204, for fiscal year 2022-23.

Background

In November 1979, the voters of the State of California approved Proposition 4, commonly known as the Gann Initiative. The proposition created Article XIII B of the California Constitution, which is also known as the Gann appropriations limit.

Both the Article XIII B appropriations limit and its implementing legislation were modified by Proposition 111, approved by voters in 1990. The law specifies that the appropriations of revenues, "proceeds of taxes" by state and local governments, may only increase annually by a limit based on a factor comprised of the change in population and the change in California per capita personal income. The appropriation limit includes any interest earned from the investment of the proceeds of taxes and must be reviewed during the annual financial audit.

Discussion

In accordance with the requirements of Article XIII B, a resolution has been prepared and is attached for review and approval (Attachment A). The resolution establishes the Orange County Transportation Authority (OCTA) General Fund appropriations limit for fiscal year (FY) 2022-23 at \$14,071,204, excluding federal grant funds and other funds to be received from sources not subject to the appropriations limit.

Attachment B shows the calculation of the FY 2022-23 OCTA General Fund appropriations limit. Appropriations subject to limits do not include appropriations for debt service, costs of complying with the mandates of the courts or the federal government, or capital outlay projects. The percentage change in population and change in California per capita personal income were obtained from the State of California, Department of Finance.

Summary

Staff recommends adoption of the Orange County Transportation Authority General Fund Resolution No. 2022-030, which will establish the fiscal year 2022-23 appropriation limit at \$14,071,204.
