WHEREAS, the Authority may adopt a Resolution of Necessity pursuant to section 1240.040 of the California Code of Civil Procedure.

NOW, THEREFORE, BE IT RESOLVED, by at least a two-thirds vote of the Authority's Board of Directors under Code of Civil Procedure sections 1240.030 and 1245.230, the Authority does hereby find and determine as follows:

Section 1. Incorporation of Findings and Recitals. The above findings and recitals are true and correct and are incorporated herein in full by this reference.

Section 2. Compliance with California Code of Civil Procedure. There has been compliance by the Authority with the requirements of section 1245.235 of the California Code of Civil Procedure regarding notice and hearing.

Section 3. Public Use. The public use for which the interests in the property are to be acquired is for the construction and future maintenance of the Project, a public transportation improvement, as more fully described hereinabove. Subsection (a) of California Public Utilities Code section 130220.5 authorizes the Authority to acquire by eminent domain property and interests in property necessary for such purpose and for all uses incidental or convenient thereto.

Section 4. Necessity.

(a) The proposed Project is necessary to enhance road safety, increase freeway capacity, and improve traffic and interchange operations by adding general purpose and express lanes and making improvements to freeway entrances, exits and bridges; and

(b) The public interest and necessity require the acquisition by eminent domain proceedings of the Property Interest.

Section 5. Description of Property Interest. The property interest sought to be acquired is more particularly described and depicted in Exhibit "A" attached hereto and incorporated herein by reference.

Section 6. Findings. The Authority hereby finds, determines and declares each of the following:

(a) The public interest and necessity require the proposed Project;

(b) The proposed Project is planned or located in the manner that will be most compatible with the greatest public good and least private injury;

(c) The Property Interest sought to be acquired is necessary for the proposed Project; and

(d) The offer required by section 7267.2 of the California Government Code has been made to the owner or owners of record.

Section 7. Existing Public Use(s). Pursuant to sections 1240.510 and 1240.610 of the Code of Civil Procedure, to the extent that any of the real property to be acquired is already devoted to a public use, the use proposed by this Project is a more necessary public use than the use to which the real property, or any portion thereof, is already devoted, or, in the alternative, is

a compatible public use which will not unreasonably interfere with or impair the continuance of the public use to which the real property, or any portion thereof, is already devoted.

Section 8. Authority to Exercise Eminent Domain. The Authority is hereby authorized and empowered to acquire a temporary construction easement in the real property described and depicted in Exhibit "A" hereto, including the improvements thereon, if any, by eminent domain for the proposed Project.

Section 9. Further Activities. The Authority's legal counsel ("Counsel") is hereby authorized and empowered to acquire the Property Interest in the name of and on behalf of the Authority by eminent domain, and is authorized to institute and prosecute such legal proceedings as may be required in connection therewith. Counsel is further authorized to take such steps as may be permitted and required by law, and to make such security deposits as may be required by law and/or order of court, to permit the Authority to take possession of the Property Interest at the earliest possible time.

Section 10. Effective Date. This Resolution of Necessity shall take effect upon adoption.
