### Beach Boulevard Corridor Study

This image shows two versions of a brochure for the Beach Boulevard Corridor Study. The left version is in Spanish, titled "Estudio del Corredor de Beach Boulevard" and "Español". The right version is in Vietnamese, titled "NGHIÊN CỨU TUYẾN ĐƯỜNG BEACH BOULEVARD" and "VIỆT NAM". Both brochures feature a central photograph of a bus stop with people waiting. The text is organized into columns with various headings and bullet points. Logos for the City of Long Beach and other organizations are visible at the bottom of each page.

This image shows two more versions of the Beach Boulevard Corridor Study brochure. The left version is in English, titled "BEACH BOULEVARD CORRIDOR STUDY". The right version is in Vietnamese, titled "NGHIÊN CỨU TUYẾN ĐƯỜNG BEACH BOULEVARD". Both brochures feature a central photograph of a bus stop with people waiting. The text is organized into columns with various headings and bullet points. Logos for the City of Long Beach and other organizations are visible at the bottom of each page.

## OC STREETCAR

### PRÓXIMOS TRABAJOS DE REUBICACIÓN DE SOCIAL GAS

Para prepararse para que el contratista de OCTA comience el trabajo de construcción del proyecto de OC Streetcar, los equipos de Social Gas reubicarán sus líneas de servicio en 4th St., entre N. Birch St. y N. French St. El trabajo comenzará en Birch St. en el lado norte de 4th St., y seguirá hacia el este.

Primero, el contratista marcará las líneas de servicio ubicadas antes de realizar las actividades de espeleología. Las actividades de espeleología incluyen el retiro de la acera de las baldosas en la acera. Posteriormente, los equipos de construcción crearán una zona de trabajo, reubicarán el servicio y realizarán la restauración de la acera. Los equipos de construcción generalmente realizarán las actividades de trabajo en una cuadrada a la vez. El horario general de trabajo será de 5AM a 4PM, y se espera que el trabajo continúe durante varios meses.

Si su propiedad incluye un sótano, por favor llame a Tresa Oliveri al (714) 560-5364 lo antes posible.

Para poder realizar el trabajo de manera segura, es posible que el contratista deba estacionar su equipo a lo largo de la acera. Por favor, preste atención a las restricciones de estacionamiento.

Se mantendrá el acceso a todas las empresas y residencias, y nos disculpamos de antemano por cualquier inconveniente. Para cualquier duda o pregunta sobre el proyecto de OC Streetcar, por favor comuníquese con Tresa Oliveri llamando al 714 396-6915 o enviando un correo electrónico toliveri@octa.net.
