SUBJECT: Draft 2019 Orange County Congestion Management Program Report

Dear Ms. Weinert,

Thank you for providing us the opportunity to review and comment on the Draft 2019 Orange County Congestion Management Program Report. The City of Anaheim does not have any comments on the draft report. The added section talking about SB 743 was very informative in discussing how the CMP is not impacted by the legislative action. This clarification is helpful as we update our traffic impact study criteria to be consistent with SB 743.

Please let me know if there is any further assistance the City of Anaheim may be in this effort.

Sincerely,

Rafael Cobian
City Traffic Engineer
