| | |
|----------------|---|
| September 2021 | Key Factors |
| | Goals |
| July 2022 | Sunset of Measure M2 (M2) |
| | Paths to Success |
| October 2022 | Board of Directors Workshop |
| | Making Better Connections Study |
| November 2022 | South Orange County Multimodal Transportation Study |
| | OC Go Next 10 Delivery Plan – 2022 Update |
| January 2023 | Draft LRTP Public Review (January 6 – February 6) |

Planning for 2045 – Key Factors

- 
- Growing travel demand and built-out roadway system
 - Evolving travel trends
 - Increasing climate-related risks
 - Changing funding outlook
 - Diversity, equity, and inclusion

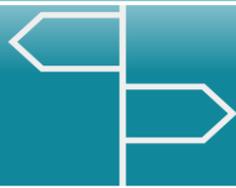

L RTP Goals for 2045

Deliver on Commitments

Improve System Performance

Expand System Choices

Support Sustainability

L RTP: Paths to Success

DIRECTIONS 2045

LONG RANGE TRANSPORTATION PLAN

Sustainable, equitable, and innovative transportation solutions.

1. Extend or modify select M2 programs beyond 2041

2. Expand transit services

3. Enhance active transportation

4. Explore mobility integration

5. Eliminate freeway chokepoints

6. Embrace technology

7. Elevate maintenance and resilience priorities

Public and Stakeholder Engagement

Phase 1:

- OCTA Advisory Committees
- Community-based organizations
- Public webinar
- Planning Forum (local jurisdictions)
- Elected Officials' Roundtable
- Community events
- Telephone helpline
- Multilingual online survey, digital media, and print/radio advertisements
