CELEBRATING 15 YEARS OF MEASURE M

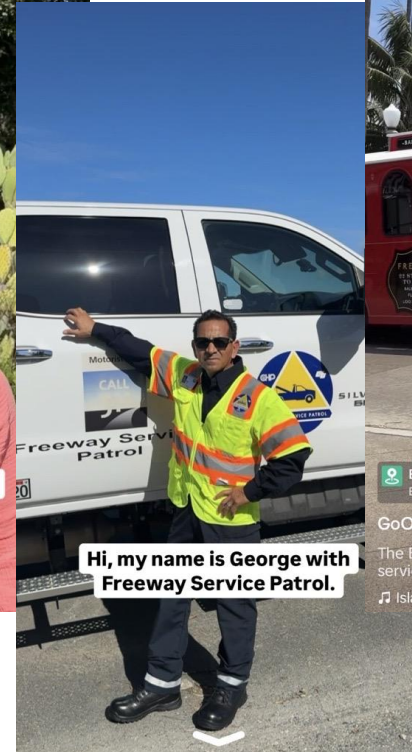

HALFWAY THERE AND COMMITTED THROUGH 2041

Fifteen years ago, Orange County voters chose to continue investing locally in transportation by renewing a half-cent sales tax. That investment continues to transform the county, delivering improvements that keep pace with significant growth while preparing for the future.

15 Years of Measure M

Life is better in Orange County every day thanks to Measure M, Orange County's voter-approved half-cent sales tax for transportation improvements. Cities, communities, and businesses all benefit from improved freeways and local streets, expanded transit, and environmental protection. OCTA is celebrating Measure M's 15-year
