3. Motorist Services Update for Fiscal Year 2018-19

Patrick Sampson/Jennifer L. Bergener

Overview

The Orange County Transportation Authority Motorist Services Program includes the call box system, Freeway Service Patrol, Southern California 511 travelers' information system, and the Orange County Taxi Administration Program. Collectively, the scope of these programs focuses on assisting motorists; mitigating traffic congestion; providing information on highway conditions, transit services, and other traveler information; and managing the taxicab permitting process and enforcement activities on behalf of Orange County and its 33 cities. This report provides an update on program activities for fiscal year 2018-19.

Recommendation

Receive and file as an information item.

4. Measure M2 Performance Assessment Report Update

Tamara Warren/Kia Mortazavi

Overview

Measure M2 includes a requirement for a performance assessment to be conducted every three years to evaluate the efficiency, effectiveness, economy, and program results of the Orange County Transportation Authority in delivering Measure M2. The fourth of these performance assessments, covering the period of July 1, 2015 through June 30, 2018, was completed and presented to the Board of Directors on March 11, 2019. This report is the final update on the action items from the recommendations for enhancements identified in the performance assessment.
