At the direction of the Board of Directors, the Orange County Transportation Authority monitors construction market conditions. Annually, a report on Market Conditions Key Indicators Analysis and Forecast is presented to the Board of Directors to provide insight into potential project delivery cost drivers that could affect the Measure M2 Next 10 Delivery Plan. The last effort was presented to the Board of Directors on November 9, 2020. An updated forecast has been prepared and a presentation on the results of this effort is provided.

Recommendation

Continue to monitor market conditions key indicators and provide updates to the Board of Directors as appropriate.

4. **South Orange County Transportation Projects Update and Cooperative Agreement**

In April 2020, the Board of Directors directed staff to work with local agencies to advance project development efforts in south Orange County for a non-tolled extension of Los Patrones Parkway, widening a portion of Ortega Highway, and an extension of the Interstate 5 high-occupancy vehicle lane. Through a collaborative transportation planning process, a cooperative agreement supporting these projects has been developed. A status report on these three key projects is provided, as well as an overview of the cooperative agreement.
