Committee Recommendations

- A. Approve an amendment to the Master Plan of Arterial Highways for the facility listed below. The proposed amendment will become final, contingent upon the Orange County Transportation Authority receiving documentation that the City of Placentia has amended its general plan, and has complied with the requirements of the California Environmental Quality Act.

City of Placentia

- Reclassify Crowther Avenue between Placentia Avenue and the eastern city limits from a secondary (four-lane, undivided) arterial to a divided collector (two-lane, undivided) arterial.

If the originally proposed Master Plan of Arterial Highways amendment is modified as a result of the California Environmental Quality Act and/or general plan amendments processes, the modified Master Plan of Arterial Highways amendment shall be returned to the Orange County Transportation Authority's Board of Director for consideration.

- B. Direct the Executive Director of Planning, or his designee, to file a Notice of Exemption from the California Environmental Quality Act in support of the amendment to the Master Plan of Arterial Highways.
- C. Receive and file a status report on the active Master Plan of Arterial Highways amendments.
