Subject: Joint 91 Express Lanes Monthly Status Reports

Overview

The 91 Express Lanes status reports for the months of July 2018 through December 2018 have been prepared for State Route 91 Advisory Committee review. The reports highlight operational and financial activities for both the Orange County Transportation Authority and Riverside County Transportation Commission segments of the 91 Express Lanes.

Recommendation

Receive and file the Joint 91 Express Lanes Monthly Status Reports for the months of July 2018 through December 2018.

Background

The joint monthly status reports are prepared to document 91 Express Lanes activity and are provided for State Route 91 Advisory Committee review.

Discussion

Gross potential toll revenue and traffic volume in the 91 Express Lanes for the Orange County Transportation Authority (OCTA) segment have exceeded prior year's performance for the months of July 2018 through December 2018, with fiscal year (FY) 2018-19 year-to-date (YTD) traffic volume and gross potential toll revenue as of the end of December 2018 both increasing by 6.2 percent.

For the Riverside County Transportation Commission (RCTC) segment, traffic volume and gross potential toll revenue continue to exceed prior year's performance with FY 2018-19 YTD traffic volume and gross potential toll revenue exceeding by 5.3 percent and 23.8 percent, respectively.

Staff will continue to closely monitor traffic and revenue data and report back to the State Route 91 Advisory Committee regularly.

Summary

The joint 91 Express Lanes status reports for the months of July 2018 through December 2018 are provided for review. The report highlights operational and financial activities.
