Committee Recommendations

- A. Approve the award of \$.987 million in 2019 Project W Safe Transit Stops Program funds to seven eligible local agencies and the Orange County Transportation Authority.
- B. Cancel the programming of \$.370 million in 2014 Measure M2 Project W Safe Transit Stops funds for Orange County Transportation Authority-initiated improvements.

Committee Discussion

At the June 13, 2019 Transit Committee meeting, Transit Committee Chairman Do discussed options to get more bus stops improvements underway earlier. The recommendations were approved with the understanding that staff would issue an expedited request for projects contingent on all local agencies meeting eligibility requirements. Staff also committed to consider revisions to future guidelines to consider more extensive bus stop amenities once the goal of improving the 100 busiest bus stops was achieved.
