

WHAT IS THE OC LOOP?

The Orange County (OC) Loop vision is 66 miles of seamless connections and an opportunity for people to bike, walk and connect to some of California's most scenic beaches and inland reaches.

NEARLY COMPLETE!

Now over 80% complete, approximately \$88 million is needed to finish the final pieces to the OC Loop. The last segments will overcome key obstacles such as travel on Pacific Coast Highway through a federal military base, crossing under the Interstate 5 freeway and three railroads, and dedicating a sliver of land next to a commercial railroad corridor. Successful multi-agency collaboration has positioned the OC Loop well for completion.
