Ordinance No. 3  
Maintenance of Effort Requirements**

**Section 6, Page 3**

**SECTION 6. MAINTENANCE OF EFFORT REQUIREMENTS**

It is the intent of the Legislature and the Authority that the Net Revenues allocated to a jurisdiction pursuant to the Ordinance for street and road projects shall be used to supplement existing local discretionary funds being used for transportation improvements. Each jurisdiction is hereby required to annually maintain as a minimum no less than the maintenance of effort amount of local discretionary funds required to be expended by the jurisdiction for local street and road purposes pursuant to the current Ordinance No. 2 for Fiscal Year 2010-2011. The maintenance of effort level for each jurisdiction as determined through this process shall be adjusted effective July 1, 2014 and every three fiscal years thereafter in an amount equal to the percentage change for the Construction Cost Index compiled by Caltrans for the immediately preceding three calendar years, providing that any percentage increase in the maintenance of effort level based on this adjustment shall not exceed the percentage increase in the growth rate in the jurisdiction's general fund revenues over the same time period. The Authority shall not allocate any Net Revenues to any jurisdiction for any fiscal year until that jurisdiction has certified to the Authority that it has included in its budget for that fiscal year an amount of local discretionary funds for streets and roads purposes at least equal to the level of its maintenance of effort requirement. An annual independent audit may be conducted by the Authority to verify that the maintenance of effort requirements are being met by the jurisdiction. Any Net Revenues not allocated pursuant to the maintenance of effort requirement shall be allocated to the remaining eligible jurisdictions according to the formula described in the Ordinance.

In order to address the impacts of the novel coronavirus pandemic (commonly referred to as COVID-19), for fiscal year (FY) 2019-20, jurisdictions shall comply with all submittal requirements under the ordinance, including, but not limited to, those requirements under Attachment B (III) - Requirements for Eligible Jurisdictions, but will not be required to meet the required maintenance of effort (MOE) amount for that particular jurisdiction for the FY 2019-20. For FY 2020-21, jurisdictions shall be required to comply with all submittal requirements under the ordinance, including, but not limited to, those requirements under Attachment B (III) - Requirements for Eligible Jurisdictions, but shall only be required to meet the MOE amount for that particular jurisdiction for the FY at the same proportional share of streets and roads expenditures to general fund revenues based upon the proportion of the FY 2020-21 MOE benchmark to general fund revenues that were reported in their respective Comprehensive Annual Financial Report for FY 2018-19. Jurisdictions are encouraged to use their best efforts during FY 2019-20 and FY 2020-21 to meet original MOE levels.
