WHEREAS, the Orange County Transportation Authority (the "Authority") is undertaking the State Route 55 ("SR-55") Improvement Project between Interstate 405 and Interstate 5, a right-of-way for freeway purposes and all public uses appurtenant thereto (the "Project"); and

WHEREAS, the Project is intended to enhance road safety, increase freeway capacity, and improve traffic and interchange operations by adding travel and high occupancy vehicle (HOV) lanes in each direction; and

WHEREAS, the Project requires the acquisition of property interests from public and private parties; and

WHEREAS, the Project will be a transportation improvement project serving the public interest; and

WHEREAS, subsection (a) of the California Public Utilities Code section 130220.5, authorizes the Authority to exercise the power of eminent domain to acquire these property interests for public use by condemnation; and

WHEREAS, portions of the real property located at 1560 E. Warner Avenue, in the City of Santa Ana, California (the "Subject Property") are required for the Project. The specific portions of the Subject Property required for the Project are a partial fee acquisition as described and depicted in Exhibit "A" attached hereto, two highway easement interests as legally described and depicted in Exhibit "B" attached hereto and three temporary construction easements as legally described and depicted in Exhibits "C", "D" and "E" respectively, attached hereto (the "Property Interests"); and

WHEREAS, if such access currently exists, reasonable vehicular and pedestrian access to and from the Subject Property will be maintained at all times; and

WHEREAS, the Authority communicated an offer of compensation to the owner or owners of record for the acquisition of the Property Interests; and

WHEREAS, in accordance with section 1245.235 of the California Code of Civil Procedure on January 8, 2021, the Authority mailed a Notice of Hearing on the Intent of the Authority to Adopt a Resolution of Necessity for acquisition by eminent domain of the Property Interests. The Notice of Hearing was mailed to the listed address of all persons whose names appear on the last equalized county assessment roll as having an interest in the Subject Property; and

WHEREAS, the Authority provided written notice to the City of Santa Ana as required by subsection (c) of California Public Utilities Code section 130220.5; and

WHEREAS, pursuant to section 1245.235 of the California Code of Civil Procedure, the Authority scheduled a hearing for February 8, 2021 at 9:00 a.m. and gave to each person whose property is to be acquired by eminent domain and whose name and address appears on the last equalized county assessment roll a reasonable opportunity to be heard; and

WHEREAS, said hearing has been held by the Authority's Board of Directors; and

WHEREAS, the Authority may adopt a Resolution of Necessity pursuant to section 1240.040 of the California Code of Civil Procedure.

NOW, THEREFORE, BE IT RESOLVED, by at least a two-thirds vote of the Authority's Board of Directors under Code of Civil Procedure sections 1240.030 and 1245.230, the Authority does hereby find and determine as follows:

Section 1. Incorporation of Findings and Recitals. The above findings and recitals are true and correct and are incorporated herein in full by this reference.

Section 2. Compliance with California Code of Civil Procedure. There has been compliance by the Authority with the requirements of section 1245.235 of the California Code of Civil Procedure regarding notice and hearing.

Section 3. Public Use. The public use for which the Property Interests are to be acquired is for the construction and future maintenance of the Project, a public transportation improvement, as more fully described hereinabove. Subsection (a) of California Public Utilities Code section 130220.5 authorizes the Authority to acquire by eminent domain property and interests in property necessary for such purpose and for all uses incidental or convenient thereto.

Section 4. Necessity.

(a) The proposed Project is necessary to enhance road safety, increase freeway capacity, and improve traffic and interchange operations by adding travel and high occupancy vehicle (HOV) lanes in each direction; and

(b) The public interest and necessity require the acquisition by eminent domain proceedings of the Property Interests.

Section 5. Description of Property Interests. The Property Interests sought to be acquired are more particularly described and depicted in Exhibits "A" through "E" attached hereto and incorporated herein by reference.

Section 6. Findings. The Authority hereby finds, determines and declares each of the following:

(a) The public interest and necessity require the proposed Project;

(b) The proposed Project is planned or located in the manner that will be most compatible with the greatest public good and least private injury;

(c) The Property Interests sought to be acquired are necessary for the proposed Project; and

(d) The offer required by section 7267.2 of the California Government Code has been made to the owner or owners of record.

Section 7. Existing Public Use(s). Pursuant to sections 1240.510 and 1240.610 of the Code of Civil Procedure, to the extent that any of the Property Interests are already devoted to a public use, the use proposed by this Project is a more necessary public use than the use to which the Property Interests, or any portion thereof, are already devoted, or, in the alternative, is a compatible public use which will not unreasonably interfere with or impair the continuance of the public use to which the Property Interests, or any portion thereof, are already devoted.

Section 8. Acquisition of Substitute Property. To the extent portions of the real property to be acquired for the Project are currently devoted to or held for some public use, the Authority intends to acquire substitute property pursuant to California Code of Civil Procedure sections 1240.320 and 1240.330. The requirements of said Code sections have been satisfied and the acquisition of said substitute property is necessary for the Project. The substitute property may be conveyed by the Authority to the owner(s) of the necessary property.

Section 9. Authority to Exercise Eminent Domain. The Authority is hereby authorized and empowered to acquire the Property Interests, including the improvements thereon, if any, by eminent domain for the proposed Project.

Section 10. Further Activities. The Authority's legal counsel ("Counsel") is hereby authorized and empowered to acquire the Property Interests in the name of and on behalf of the Authority by eminent domain, and is authorized to institute and prosecute such legal proceedings as may be required in connection therewith. Counsel is further authorized to take such steps as may be permitted and required by law, and to make such security deposits as may be required by law and/or order of court, to permit the Authority to take possession of the Property Interests at the earliest possible time.

Section 11. Effective Date. This Resolution of Necessity shall take effect upon adoption.
