### Low Carbon Transit Operations Program Recommendations for Fiscal Year 2016-17 Funds

Funding recommendations are presented for the Low Carbon Transit Operations Program for fiscal year 2016-17 funds that will promote transit ridership growth and reduce greenhouse gas emissions. This program is part of the state Cap-and-Trade Program.

- A. Approve the use of fiscal year 2016-17 Low Carbon Transit Operations Program funding, currently estimated to be \$1.7 million, for a fare adjustment program and for the purchase and installation of three-position bike racks on buses and spares, both intended to increase bus system ridership.
- B. Approve Resolution 2017-002, consistent with the Low Carbon Transit Operations Program Guidelines.
- C. Authorize staff to make all necessary amendments to the Federal Transportation Improvement Program, as well as execute any necessary agreements to facilitate the above recommendations.
