Overview of Options for OC Streetcar Operations and Maintenance

The Orange County Transportation Authority is the lead agency for the design, construction, operations and maintenance of the OC Streetcar in the cities of Santa Ana and Garden Grove. As part of the request for a full funding grant agreement to the Federal Transit Administration, an organization plan is required to prepare for future operations and maintenance of the service. Staff has developed key considerations for the evaluation of options for operations and maintenance of the OC Streetcar for Board of Directors' review.

Direct staff to return to the Board of Directors with an evaluation of the OC Streetcar operations and maintenance organization plan based upon the key considerations.
