Amendment to Agreement for Additional Consulting Services to Develop Specifications for an Account-Based, Open Payment Fare Collection System

On April 15, 2013, the Orange County Transportation Authority entered into an agreement with Four Nines Technologies to develop technical specifications for the development of an account-based, open payment fare collection system. An amendment is needed to increase the funding for additional consulting services and extend the term through December 31, 2017, to complete the mobile ticketing project.

Authorize the Chief Executive Officer to negotiate and execute

Amendment No. 4 to Agreement No. C-2-2095 between the Orange County Transportation Authority and Four Nines Technologies, in the amount of \$50,000, for additional consulting services for the account-based, open payment fare collection system, and extend the contract term of the agreement through December 31, 2017. The amendment will increase the maximum obligation of the agreement to a total contract value of \$294,500.
