Agreement for Pacific Electric Right-of-Way Weed Abatement and Debris Removal Services

On November 8, 2016, the Orange County Transportation Authority issued an invitation for bids for a five-year contract to a qualified property maintenance contractor to provide weed abatement and debris removal services for the Pacific Electric right-of-way. Board of Directors' approval is requested for the selection of a contractor to perform the required work.

A. Find RPW Services, Inc., the apparent low bidder, as non-responsive for failure to execute the bid form.

B. Authorize the Chief Executive Officer to negotiate and execute Agreement No. C-6-1504 between the Orange County Transportation Authority and Pest Options, Inc., the lowest responsive, responsible bidder, in the amount of \$215,830.80, for a five-year term, for the Pacific Electric right-of-way weed abatement and debris removal services.
