Amended and Restated Cooperative Agreement with the City of Santa Ana for the Santa Ana Regional Transportation Center and the OC Streetcar

A cooperative agreement was executed in 1994 with the City of Santa Ana for the design, construction, maintenance, and security improvements for the Santa Ana Regional Transportation Center commuter/intercity rail station. An amended and restated cooperative agreement is necessary to incorporate provisions for changes that have been made to the commuter/intercity rail station since the original agreement was executed, and to include provisions for the incorporation of the OC Streetcar.

Authorize the Chief Executive Officer to negotiate and execute Amended and Restated Cooperative Agreement No. C-94-859, between the Orange County Transportation Authority and the City of Santa Ana, for the operations and maintenance of the commuter/intercity rail station and the OC Streetcar facilities at the Santa Ana Regional Transportation Center.
