Fiscal Year 2017-18 Bus Service Improvement Plan

Bus system changes to improve productivity are proposed for October 2017 and February 2018. The proposed changes for February 2018 require a public hearing, and staff recommends initiating a public outreach process to gather customer input prior to implementation. Results from the outreach process will be presented to the Board of Directors in September 2017.

- A. Direct staff to implement a public outreach program to solicit feedback on the Draft February 2018 Service Change Proposal.
- B. Direct staff to return to the Board of Directors on September 25, 2017 with outreach findings.
