Motorist Services Update for Fiscal Year 2016-17

The Orange County Transportation Authority Motorist Services Program includes the following elements: call box system, Freeway Service Patrol, Southern California 511 travelers' information system, and the Orange County Taxi Administration Program. Collectively, the scope of these programs includes assisting motorists; mitigating traffic congestion; allowing the public to access information on highway conditions, transit services, and other important traveler information; and managing taxicab permitting processes and enforcement for Orange County and its 34 cities. This report provides an update on program activities for fiscal year 2016-17.
