### Cooperative Agreements for Regional Traffic Signal Synchronization Program Projects

On April 11, 2016, the Orange County Transportation Authority Board of Directors approved programming of funding for the Regional Traffic Signal Synchronization Program for seven projects as part of the 2016 Measure M2 Regional Traffic Signal Synchronization Program call for projects. As part of the application process, the Orange County Transportation Authority was requested to be the lead agency on three of the seven projects: El Toro Road (east), Magnolia Street, and Brookhurst Street. Separate cooperative agreements are necessary for each of these projects in order to outline the roles and responsibilities of the partnering agencies and to specify the amount and type (in-kind or cash) of the local agency match.

- A. Authorize the Chief Executive Officer to negotiate and execute Cooperative Agreement No. C-7-1827 for the El Toro Road (east) Regional Traffic Signal Synchronization Project.
- B. Authorize the Chief Executive Officer to negotiate and execute Cooperative Agreement No. C-7-1828 for the Magnolia Street Regional Traffic Signal Synchronization Project.
- C. Authorize the Chief Executive Officer to negotiate and execute Cooperative Agreement No. C-7-1829 for the Brookhurst Street Regional Traffic Signal Synchronization Project.
