Grant Award for the Pedestrian and Bicycle Safety Program

On July 25, 2017, the California Office of Traffic Safety awarded the Orange County Transportation Authority \$75,000 in competitive funds to develop and implement the Pedestrian and Bicycle Safety Program, which is intended to raise public awareness of safe bicycling and pedestrian practices, and reduce fatalities involving pedestrians and bicyclists. An authorizing resolution to accept the grant award and enter into grant-related agreements is presented for adoption as required by the grant program.

Authorize the Chief Executive Officer or designee to accept the grant award and execute grant-related agreements with the California Office of Traffic Safety to develop and implement the Pedestrian and Bicycle Safety Program.
