Approval to Release Request for Proposals for Information Technology Contract Technical Staffing

Staff has developed the proposed evaluation criteria weightings which will be used to initiate the competitive process to select firm(s) to provide contract technical staffing for data warehouse administration, SharePoint administration, project management, help desk support, desktop support, network administration, and application support for the Information Systems Department.

- A. Approve the proposed evaluation criteria and weightings for Request for Proposals 7-1949 to provide information technology contract technical staffing.
- B. Approve the release of Request for Proposals 7-1949 to provide information technology contract technical staffing for a five-year term.
