Public Hearing for the Proposed February 2018 Bus Service Plan

The Orange County Transportation Authority has developed a proposed bus service plan for February 2018 as part of its OC Bus 360° initiative to improve bus service and productivity. On July 24, 2017, an outreach program was introduced to share proposed service changes and gather feedback. To complete the public participation process, a September 25, 2017 public hearing date was set. Based on the input received, staff will refine the proposed February 2018 Service Plan and return to the Board of Directors in October with recommended changes to Orange County Transportation Authority bus transit service.
