### Amendment to Agreement for Project Management Consultant Services for Rail Programs

On August 12, 2013, the Orange County Transportation Authority Board of Directors approved an agreement with Mott MacDonald, LLC, to provide program management consultant services to support program management and delivery of rail programs. An amendment to the existing agreement is needed for the consultant to continue providing these services for rail programs.

Authorize the Chief Executive Officer to negotiate and execute Amendment No. 8 to Agreement No. C-3-1587 between the Orange County Transportation Authority and Mott MacDonald, LLC, in the amount of \$1,125,156, for continued program management consultant support services for rail programs. This will increase the maximum cumulative payment obligation of the agreement to a total contract value of \$7,320,512.
