### Amendment to the Master Plan of Arterial Highways

The Orange County Transportation Authority administers the Master Plan of Arterial Highways, including the review and approval of amendments requested by local agencies. The County of Orange has requested an amendment to the Master Plan of Arterial Highways that is recommended for approval. A status update on the active Master Plan of Arterial Highways amendments is also provided.

A. Approve an amendment to the Master Plan of Arterial Highways for the following:

- Reclassify Esperanza Road, between Imperial Highway and the Fairmont Boulevard Connector, from a major (six-lane, divided) to a primary (four-lane, divided) arterial;
- Reclassify Fairmont Boulevard Connector, between Esperanza Road and Fairmont Boulevard, from a major (six-lane, divided) to a primary (four-lane, divided) arterial;
- Reclassify Los Patrones Parkway, between Chiquita Canyon Road to Cow Camp Road, from a primary (four-lane, divided) to secondary (four-lane, undivided) arterial; and
- Add Los Patrones Parkway, south of Oso Parkway to Chiquita Canyon Road, as a secondary (four-lane, undivided) arterial.

The proposed amendment will become final, contingent upon the Orange County Transportation Authority receiving documentation that the County of Orange and City of Yorba Linda have amended their respective general plans and have complied with the requirements of the California Environmental Quality Act.
