Amendment to Agreement for Schedule Checking Activities

On November 25, 2013, the Board of Directors approved an agreement with National Data and Surveying Services, doing business as Southland Car Counters, to conduct bus system schedule checking services for the Orange County Transportation Authority fixed-route bus service. The term of this agreement, as amended, expires on December 31, 2017. A contract amendment is required to exercise the second, one-year option term of the agreement.

Authorize the Chief Executive Officer to negotiate and execute Amendment No. 3 to Agreement No. C-3-1855 between the Orange County Transportation Authority and National Data and Surveying Services, doing business as Southland Car Counters, in the amount of \$244,184, to exercise the second, one-year option term of the agreement through December 31, 2018, for schedule checking services. This will increase the maximum obligation of the agreement to a total contract value of \$1,273,483.
