### Mobile Source Air Pollution Reduction Review Committee County Transportation Commission Partnership Program Recommendations

On December 1, 2017, the Mobile Source Air Pollution Reduction Review Committee released the County Transportation Commission Partnership Program, which is making \$8 million available from the Clean Transportation Funding Program. Each county transportation commission, including the Orange County Transportation Authority, is eligible to request \$2 million in funding. The goal of this program is to enhance mobility while improving air quality in the South Coast Air Quality Management District.

A. Approve the use of \$2 million in Mobile Source Air Pollution Reduction Review Committee County Transportation Commission Partnership Program funding for:

- The OC Flex Pilot Program for \$1.146 million,
- The Hydrogen Detection Project for \$0.642 million,
- A College Pass Program for \$0.212 million.

B. Authorize staff to make all necessary amendments to the Federal Transportation Improvement Program, as well as execute any necessary agreements to facilitate the above recommendations.
