### Comprehensive Transportation Funding Programs Semi-Annual Review - March 2018

The Orange County Transportation Authority recently completed the March 2018 semi-annual review of projects funded through the Comprehensive Transportation Funding Program. This process reviews the status of Measure M2 grant-funded projects and provides an opportunity for local agencies to update project information and request project modifications, as appropriate. Recommended project adjustments emerging from the March 2018 semi-annual review process are presented for Board of Directors' review and approval.

Approve project adjustments to Comprehensive Transportation Funding Program projects, Local Fair Share, and Senior Mobility funds.
