2018 State Route 91 Implementation Plan

The Orange County Transportation Authority annually prepares a long-range plan for improvements along the State Route 91 corridor between State Route 57 in Orange County and Interstate 15 in Riverside County. The plan includes a listing of potential improvements, preliminary cost estimates, and potential implementation timeframes. These improvements are sponsored by various agencies such as the Orange County Transportation Authority, the Riverside County Transportation Commission, the Transportation Corridor Agencies, the California Department of Transportation, and cities along the corridor. The 2018 State Route 91 Implementation Plan is provided.
