Environmental Mitigation Program Endowment Fund Investment Report For June 30, 2018

The Orange County Transportation Authority has developed a Natural Community Conservation Plan/Habitat Conservation Plan, acquired conservation properties, and funded habitat restoration projects to mitigate the impacts of Measure M2 freeway projects. California Community Foundation manages the non-wasting endowment required to pay for the long-term management of the conservation properties. Each quarter, the California Community Foundation publishes a comprehensive report detailing the composition of the pool and its performance. Attached is the quarterly investment report for the Endowment Pool for the period ending June 30, 2018. The report has been reviewed and is consistent with the pool objectives.
