2019 Project W Safe Stops Call for Projects

Measure M2 Project W provides funding for passenger amenities at the 100 busiest bus stops in Orange County. Board of Directors approval is requested to update the Comprehensive Transportation Funding Guidelines and to authorize a second Project W allocation. This effort will include working with eligible local agencies to develop and refine a list of projects that could potentially be funded by a second Project W allocation.

- A. Approve proposed revisions to Chapter 3 (Project W section) of the Comprehensive Transportation Funding Programs Guidelines.
- B. Approve making \$3 million in Measure M2 Project W funds available for a second funding allocation.
- C. Direct staff to work with eligible local agencies and to return with Project W funding recommendations in early 2019.
