Amendment to Cooperative Agreement with the Orange County Flood Control District for the Railroad Grade Separation Projects

On May 25, 2010, the Orange County Transportation Authority entered into a cooperative agreement with the Orange County Flood Control District for project support services for the railroad grade separation projects located at Placentia Avenue, Kraemer Boulevard, Orangethorpe Avenue, Tustin Avenue/ Rose Drive, and Lakeview Avenue. Staff requests authorization to execute an amendment to this cooperative agreement for additional utility easement costs and additional project support services necessary to close out the right-of-way phase.

Authorize the Chief Executive Officer to negotiate and execute Amendment No. 6 to Cooperative Agreement No. C-9-0570 between the Orange County Transportation Authority and the Orange County Flood Control District, in the amount of \$300,000, for additional project support services and utility easement costs for the railroad grade separation projects located at Orangethorpe Avenue, Tustin Avenue/Rose Drive, and Lakeview Avenue, and to extend the term of the agreement through August 31, 2019. This will increase the cooperative agreement value to \$880,000.
