Measure M2 Senior Mobility Program Update

The Senior Mobility Program is designed to offer transportation alternatives to seniors in addition to local fixed-route, paratransit, or the OC ACCESS service. Through the program, participating local agencies are eligible to receive funding and vehicles from the Orange County Transportation Authority to help design and operate a transit program that best meets the needs of seniors living within those communities. Recommended revisions to the funding and policy guidelines are presented in the report.

Adopt the revised Measure M2 Senior Mobility Program Project U Funding and Policy Guidelines.
