Contract Change Order for Utilities to the Hydrogen Fuel Station

On November 13, 2017, the Orange County Transportation Authority Board of Directors authorized Agreement No. C-7-1577 with Trillium USA Company LLC, for the construction, operation, and maintenance of a hydrogen fuel station, and liquid hydrogen deliveries. A contract change order is requested to install private utilities to the hydrogen fuel station for electrical power and communication.

Authorize the Chief Executive Officer to negotiate and execute Contract Change Order No. 3 to Agreement No. C-7-1577 with Trillium USA Company LLC, in the amount of \$400,000, for the installation of new private utilities for electrical power and communication to the hydrogen fueling station. This will increase the maximum obligation of the agreement to a total contract value of \$7,514,432.
