Draft Fiscal Year 2019-20 Bus Service Plan

Bus system changes are proposed for October 2019 and February 2020 to grow ridership, increase productivity, and implement routing changes to prepare for OC Streetcar construction. The changes require a public hearing, and staff recommends initiating a public outreach process to gather customer input prior to finalizing recommendations. Results from the outreach process will be presented to the Board of Directors in July 2019.

- A. Direct staff to implement a public outreach program to solicit feedback on the Draft Fiscal Year 2019-20 Bus Service Plan.
- B. Direct staff to return to the Board of Directors in July 2019 with outreach findings and final recommendations.
