### Comprehensive Transportation Funding Programs Semi-Annual Review - March 2019

The Orange County Transportation Authority recently completed the March 2019 semi-annual review of projects funded through the Comprehensive Transportation Funding Programs. This process reviews the status of Measure M2 grant-funded projects and provides an opportunity for local agencies to update project information and request project modifications. Recommended project adjustments are presented for Board of Directors' review and approval.

- A. Approve adjustments to the Comprehensive Transportation Funding Programs projects and Local Fair Share funds.
- B. Authorize the Chief Executive Officer, or his designee, to execute Cooperative Agreement No. C-9-1380 between the Orange County Transportation Authority and the City of Brea to administer Measure M2 grant funds, in an amount not to exceed \$13,114,578, for the construction and landscaping components of the State Route 57 Lambert Road Interchange Project to establish appropriate roles and responsibilities.
