### Orange County Transportation Authority State and Federal Grant Programs - Update and Recommendations

The Orange County Transportation Authority provides grants to local agencies through various state and federal funding programs. Status reports on these programs, as well as project changes, are presented for review and approval.

- A. Authorize conditional approval of delay requests for three projects from the cities of Anaheim, Garden Grove, and the County of Orange, contingent on the availability of Orange County Transportation Authority's Congestion Mitigation and Air Quality Improvement Program funds.
- B. Approve one project cancellation from the City of Costa Mesa and authorize staff to reprogram savings to the 2019 Bicycle Corridor Improvement Program.
- C. Authorize staff to make all necessary amendments to the Federal Transportation Improvement Program and execute any required agreements or amendments to facilitate the recommendations above.
