### 91 Express Lanes Customer Service Center

In March 2019, the Orange County Transportation Authority and Riverside County Transportation Commission completed moving the 91 Express Lanes customer service center to a new location in Corona. The new location at 301 Corporate Terrace Circle, which is owned by Riverside County Transportation Commission, serves as the walk-up center for customers, call center for customer calls, and transponder distribution location. Riverside County Transportation Commission staff will be providing a presentation on the move and the new location.
