Local Agencies' Interest in Project V Call for Projects

Measure M2 establishes a competitive program through Project V to fund community-based transit services that complement regional transit services. Earlier this year, the Orange County Transportation Authority Transit Committee directed staff to determine local agencies' level of interest in applying for a fourth Project V call for projects. This report provides findings and recommendations emerging from these efforts.

Direct staff to return by fall 2019 with revised Comprehensive Transportation Funding Programs Guidelines to support a fourth Project V call for projects.
