Grant Award for the Pedestrian and Bicycle Safety Program

The California Office of Traffic Safety awarded the Orange County Transportation Authority \$100,000 in competitive Pedestrian and Bicycle Safety Grant Program funding. The grant award will support implementation of bicycle and pedestrian education classes, which are intended to raise public awareness of safe pedestrian and bicycling practices.

Adopt Orange County Transportation Authority Resolution No. 2019-071 authorizing the Chief Executive Officer, or designee, to accept the State of California Office of Traffic Safety award, and to negotiate and execute grant-related agreements and documents with the California Office of Traffic Safety.
