### Guidance for the Orange County Transportation Authority Decision-Making When Requested to Lead a Locally-Sponsored Capital Project

The Orange County Transportation Authority can serve as the lead agency for delivery of certain locally-sponsored transportation capital projects if requested. A framework to guide decision-making in the event of such requests is presented for Board of Directors' consideration and action.

Adopt a guidance document to assist the Orange County Transportation Authority in responding to future requests to deliver a locally-sponsored capital project, and direct staff to share the guidance with Orange County local jurisdictions for their information.
