Programming Recommendation for the City of Laguna Niguel Project V Service

In June 2018, the Orange County Transportation Authority Board of Directors approved a third Measure M2 Project V call for projects. At that time, the Board of Directors requested that staff work with the City of Laguna Niguel on refinements to its proposed Project V service application and return at a later date with programming recommendations, if applicable. These efforts are now complete, and recommendations are presented for Board of Directors' review and approval.

- A. Approve Project V funding in the amount of \$886,082 for the City of Laguna Niguel's Trolley.
- B. Authorize the Chief Executive Officer to negotiate and execute a cooperative funding agreement with the City of Laguna Niguel to support implementation of its proposed new Project V service.
