Comprehensive Transportation Funding Programs Semi-Annual Review - September 2019

The Orange County Transportation Authority has completed the September 2019 semi-annual review of projects funded through the Comprehensive Transportation Funding Programs. This process regularly reviews the status of Measure M2 grant-funded projects and provides an opportunity for local agencies to update project information and request project modifications, as well as a mechanism for the Orange County Transportation Authority to ensure timely progress on grant-funded projects. Recommended project adjustments are presented for review and approval.

Approve the requested adjustments to Comprehensive Transportation Funding Programs projects and Local Fair Share Program funds.
