Measure M2 Performance Assessment Report Update

Measure M2 includes a requirement for a performance assessment to be conducted every three years to evaluate the efficiency, effectiveness, economy, and program results of the Orange County Transportation Authority in delivering Measure M2. The fourth of these performance assessments, covering the period of July 1, 2015 through June 30, 2018, was completed and presented to the Board of Directors on March 11, 2019. This report is the final update on the action items from the recommendations for enhancements identified in the performance assessment.
