Amendment to Agreement for Project Management Consultant Services for the OC Streetcar Project

On February 23, 2015, the Orange County Transportation Authority Board of Directors approved an agreement with HDR Engineering, Inc., to provide project management consultant services for the OC Streetcar project, for a term of five years, with two, two-year option terms. An amendment to the existing agreement for execution of the first option term is requested for continued project management consultant services.

Authorize the Chief Executive Officer to negotiate and execute Amendment No. 12 to Agreement No. C-4-1854 between the Orange County Transportation Authority and HDR Engineering, Inc., to exercise the first two-year option term for project management consultant services for the OC Streetcar project, in the amount of \$8,064,286, and extend the term of the agreement through March 31, 2022. This will increase the maximum obligation of the agreement to a total contract value of \$29,026,291.
