91 Express Lanes Update for the Period Ending - December 31, 2019

The Orange County Transportation Authority has owned and managed the operations of the 91 Express Lanes since January 2003. Since that time, traffic volumes and toll revenues have fluctuated with the changes in the economy and the additional capacity added to the State Route 91 corridor. Over the last quarter, there have been approximately 4.4 million trips taken on the 91 Express Lanes in Orange County. This report focuses on the operational and financial activities for the period ending December 31, 2019.
