Agreement for Replacement of Heating, Ventilation, and Air Conditioning Units at the Garden Grove Bus Base Maintenance Building

As a part of the Orange County Transportation Authority's Fiscal Year 2019-20 Budget, the Board of Directors approved the replacement of heating, ventilation, and air conditioning units at the Garden Grove Bus Base maintenance building. Bids were received in accordance with the Orange County Transportation Authority's public works procurement procedures. Approval from the Board of Directors is requested to execute the agreement.

- A. Find GM Climate Control, Inc., the apparent low bidder, as non-responsive for failure to meet the federal requirement for Disadvantaged Business Enterprise participation.
- B. Authorize the Chief Executive Officer to negotiate and execute Agreement No. C-9-1696 between the Orange County Transportation Authority and Golden Gate Steel, Inc., doing business as Golden Gate Construction, the lowest responsive, responsible bidder, in the amount of \$254,250, for the replacement of heating, ventilation, and air conditioning units at the Garden Grove Bus Base maintenance building.
